

Lovit Phos Plus Liquid

is a specific liquid formulation of minerals and trace elements in highly available form for poultry and pigs, designed for the additional, short-term supplementation via the drinking water. Lovit Phos Plus Liquid is beneficial in improving the strength of the skeleton and the quality of egg-shell. In addition it decreases the pH-value of the drinking water.

Legal status:

Complementary feed poultry and pigs (in accordance with reg. 767/2009/EC), usage for the final consumer

Activity per litre:

Phosphorus	10.5 % (m/v)
Calcium	2.2 % (m/v)
Magnesium	1.0 % (m/v)
Sodium	0.7 % (m/v)
Manganese/ Mn-(II)-carbonate (E5)	4 800 mg
Zinc/ Zinc oxide (E6)	4 000 mg
Copper/ Copper-(II)-oxide (E4)	2 500 mg

Density:

Approx. 1.26 g/cm³

Solubility:

Completely soluble in water

Animal categories:

For poultry and pigs

Recommended dosage:

Poultry	1 - 2 litres per 1,000 litres of drinking water
sows	20 - 30 ml/animal and day
piglets and pigs for fattening	10 - 20 ml/animal and day
Over a period of 3 - 5 consecutive days, repetition as required	

Recommended use:

Shake well before application, do not use in pure form. Dissolve 100 ml in min. 10 litres of water and fill up to the required quantity. Do not use in pure form.

Storage:

Keep tightly sealed and protected from direct sunlight in a cool (max. 25°C) and dry place

Shelf life:

Guaranteed contents for 24 months if kept under proper storage conditions in original packaging

Packaging:

Bottles of 1 litre in carton of 12 x 1 litres
Canister of 5 litres in carton of 4 x 5 litres
Canister of 25 litres
Barrel of 200 litres
Container of 1,000 litres

Code number:

00000 (1 litre)
00000 (5 litres)
